Sponsor Considerations

1 WHAT CAUSE AM I SUPPORTING?

Abel Speaks is a 501 (c)3 nonprofit ministry that exists to support families who have chosen to carry a child with a life-limiting diagnosis. Our vision is that every parent can choose to cherish their child's life and experience hope and joy even in the midst of sorrow and grief. Over the past 7 years, Abel Speaks has served over 550 families in all 50 United States and internationally in 12 other countries.

To learn more about the organization, please visit: www.abelspeaks.org

2 WHAT EVENT AM I SPONSORING?

"An Evening with Abel Speaks" will be streamed on line Thursday, May 1st @ 7:30PM Central. As always, our chief aims for this event are to raise awareness of our mission and raise funding for its ongoing ministry. This year, our goal is to raise $220K through sponsorship, an online auction, and one-time donations. With your help, we know we can make it happen!

3 ARE THERE SPONSORSHIP LEVELS?

Absolutely! We've identified several levels of support that would greatly bless the ministry and directly impact the families we serve. Details of each level are provided on the following pages.

NOTE: We prefer to receive sizable donations by check rather than online to avoid larger fees. Email **daniel@abelspeaks.org** or click the button below to become a sponsor, and we will contact you within two business days to coordinate your next steps!
